In the Field of Sport

COLUMBIA DEFEATS MONTGOMERY, 81 TO 0

Columbia High School celebrated the dedication of her new athletic field yesterday afternoon by defeating Montgomery City High 81 to 0. Columbia's brand of football was superior in every way to that of her opponents. Although the field was slick and the Columbia team several pounds per man lighter the Montgomery boys could stop neither line plunges nor end runs. The feature of the game was the perfect interference of the Columbia backs.

The Columbia received the ball on the first kickoff and on the second play Underhill went through tackle for a touchdown. Thereafter it was a continuous march across the goal line until the last quarter when their opponents stiffened their defense and held to six points for that period. Montgomery made only two first downs by straight football.

The line-up: Columbia (81) Montgomery City (0) Cassidy, le. re Hall Stewart, lt. rt I. Sailors Platt, lg. rg W. Sailors Woodworth, c. c Wilson Wilhite, rg. lg Powell Everhart rt. lt Owing: Stephenson, re. le Williams Heibel, p. q Waters C. Coggins, lbh. rlb Clark Underhill, fb. rlb J. Sailors Armistead, rlb. lb J. Sailors Referee—Bondurant. Umpire—McCall. Head linesman—Niedermyer.

U. H. S. AND CARROLLTON PLAY SCORELESS GAME

The Carrollton High School football team battled the University High School team to a scoreless tie at Rollins Field yesterday afternoon. The game was a continuous struggle up and down the field with neither of the teams able to make gains substantial enough to threaten the

other's defense except in two or three instances. A muddy field made long runs and fast play difficult.

In the first quarter, the University High team carried the ball for consecutive gains until within fifteen yards of the goal. Carrollton held them for downs and soon had the ball back near mid-field. The fight was even, then, until the fourth quarter.

Werner, left half-back for the University High team, and Wiggins, fullback for Carrollton, played most consistently and made the greatest gains for their respective teams. Werner showed up well both when carrying the ball and when working in interference.

After a punt behind University High's goal line in the last quarter, Carrollton forced its opponents from the 20-yard line back 2 yards. Vesser punted, and the ball was brought to University High's 23-yard line. Gains by Wiggins and Huddleston put the ball on University High's 10-yard line. Then Carrollton was held for downs.

Three minutes before the game ended, Carrollton threatened again when the ball was carried to her opponent's 12-yard line.

University High (0) Carrollton High (0) Drake, le. re McGee Taylor, lt. rt Ferguson Malling, lg. rg Sims Reed, c. c Dean Vickers, rg. lg Wright Daly, rt. lt Huddleston Moss, re. le Carry Porteus, qb. qb Connell Werner, lbh. rlb Uping Prink, rlb. lbh Hinson Vesser, fb. fb Wiggins Substitutions: University High, Woods for Moss, Referee—Rutledge, Umpire—Armstrong, Head linesman—Stewart.

COMPLETES PLANS FOR M. MEN'S ASSOCIATION

The members of the M Men's Association of the University have completed arrangements for the expansion of that organization. Letters have been sent to 396 M men scattered throughout the country, asking them to attend the homecoming here on Thanksgiving Day. A banquet will be held on the eve of the Missouri-Kansas game, at which time plans for the new and broadened organization will be discussed and adopted.

At present the association includes only the M men in school. Under the new scheme all alumni letter men will be actively associated with the organization here in promoting the interests of athletics. A central office will probably be established in Columbia which will act as headquarters for the various branches of the association.

The primary purpose of the arrangement is to afford a means of obtaining material for Tiger teams. The M men who have left school, especially those in Missouri, are expected to work together to this end under the new plan. All letter men will be kept in touch with local conditions by bulletins sent out from the M men's president or secretary from time to time.

Z. G. Clevenger, athletic director, is optimistic in discussing the success of the proposed organization.

NEW FIELD INCREASES INTEREST IN FOOTBALL

The completion of its new athletic field puts the Columbia High School up among the few schools of this state which can boast that they have an athletic field built for them and for their exclusive use.

The completion of this field marks the close of a long era during which all the athletic contests of the high school were held at what is known as the fairgrounds. The attendance and the interest shown have suffered because of the fact that the fairgrounds was in a remote place from the high school and the students and townspeople alike could not get there as easily as they will be able to get to the new field, which is located just behind the high school building. Out at the fairgrounds the crowds used to have to stand, sometimes in the mud, to see the contest. At the new field the crowds will have a

place in which to sit. The field is a great deal more accessible than the site upon which the contests were formerly held.

Football in the high school will be greatly benefited by the acquisition of the new field. Interest in the sport by the students themselves will be increased and there will be a greater number of aspirants out for places on the teams. This has always been a big factor which the coaches and players have had to combat. The old fairgrounds was in such a remote place that it was hard for the students to get there to carry on their regular practices. Now with the new field directly behind the school and with locker rooms and showers available in the building, there will undoubtedly be a big increase in the number of men out for the teams and the strength of the teams will be greatly increased.

The field is in excellent shape. All the minor details have not been finished but will be in a short while. In the course of a year or so other additions will be made to the field but just at present there is not sufficient money available to cover the expense of completing everything which is to be desired.

SHERIFF GETS VARIED NOTICES

Fifty-Dollar Reward For Escaped Leavenworth Prisoner.

Notices of rewards for the discovery of criminals, posters describing escaped convicts, cards advertising stolen roadsters, letters appealing for information about missing relatives, come to the office of T. Fred Whitesides, sheriff, at the rate of two a day.

Yesterday's two consisted of an advertisement for a Ford touring car stolen in Colorado Springs on October 13 and an offer of a reward of \$50 for Virgil Gill, escaped from the United States Disciplinary Barracks at Fort Leavenworth.

Notices concerning police characters are nearly always sent to towns over a wide area surrounding the place where the man was last located. Such notices contain a description of the man, front and side views of his head, a short history of his crime, and his finger print measurements. In every sheriff's office is an elaborate series of finger print charts, each labeled with a letter or a number. Any criminal can be adequately described by a series of these numbers and letters.

In large cities the picture and finger print record of every man arrested are taken and kept on file. Smaller towns seldom do this. The Boone County authorities have the necessary equipment for taking finger prints, but have taken only five or six prints. Most persons arrested here are residents of the county and so well known as to make any elaborate system of future identification unnecessary.

Absentee Voters

May vote in Columbia if properly registered (if registration is required) in their resident counties in Missouri.

They will be furnished blank official ballots by the judges of the election at the polls here, but the only names on the absentee ballot will be those of the presidential electors and the candidates for state office. Consequently, it is important that each absentee voter has a list of his or her county nominees as well as the candidate for congress and the state senate. To vote for these candidates, the voter must write in their names on the ballot.

Sample ballots of any county in Missouri will be placed at the disposal of the absentee voters who will telephone the Democratic headquarters before 5 p. m. Monday. Give your name, home address and local address.
